Release # 99-145

Road Bicycles and Ceiling Fan Recalls

This press release consists of two recalls. Please choose the appropriate recall below.

- [Road Bicycles](#) - Specialized Bicycle Components Inc., of Morgan Hill, Calif., is voluntarily recalling about 4,000 Specialized 1999 Allez and Allez Sport model bicycles. The handlebars on these bicycles can unexpectedly come out of the stem during use. This can result in serious injuries to the rider.
- [Ceiling Fans](#) - U.S., CPSC and Air Comfort Products Division of Emerson Electric Co., of St. Louis, Mo., are reminding consumers of the recall of about 20,000 ceiling fan installation kits. Over time, the bracket holding the fan can fail, causing the fan to fall or hang by its electric wires.
